10 10MG THC GUMMIES IN EACH PACKAGE, 100MG TOTAL

Like a bite of fresh-baked comfort, our award winning* **Apple Pie RSO Gummy** not only hits different, it hits it out of the park!

With nostalgic flavors that warm the soul, where sweet yet tangy green apple meets a touch of savory cinnamon, it brings you right back home to that cozy, feel-good place.

Infused with our signature full-spectrum **RSO**, these gummies deliver a deep, full-body indica experience that's as relaxing as it is uplifting. Expect out-of-this-world flavor and effects — no oven required.

Crafted with natural fruit juices for clean-label, true-to-fruit flavor and color; each pack of these bite sized wonders includes 10 perfectly dosed gummies at 10mg THC apiece.

At **OMO Labs**, every creation is made with intention, love, and gratitude, ensuring the highest standards of quality, care, and consistency.

Enjoy the vibe — enjoy OMO.

***Why OMO RSO? Pure. Potent. Purposeful.**

At OMO Labs, we honor the legacy of **Rick Simpson Oil (RSO)** by crafting a true full-spectrum blended extract designed to deliver the complete power of the plant — cannabinoids, terpenes, and flavonoids working together in perfect harmony. The result is a deep, full-body experience that's as elevating as it is therapeutic.

Full Spectrum. Full Feels. Full You.
